

Dear Optometrist Colleague

Professional Education Programme 2017 Approved for 10.5 Clinical Diagnostic Credits

Glaucoma NZ invites you to enrol in the GNZ Professional Education Programme for 2017.

An online web-based course structure:

- The professional education programme is approved by the NZ Optometrists & Dispensing Opticians Board (ODOB) CPD Accreditation Committee for a maximum of **10.5 Clinical Diagnostic (CD) Credits**.
- All cases have been produced by qualified glaucoma specialists.
- The Programme consists of 7 cases – each with a case history, questions and answers for self-directed learning, followed by an associated web-based examination.
- The examination associated with each case is made up of 25 questions –multiple choice and true/false.
- Two attempts are available to achieve the 70% pass required by the ODOB CPD Accreditation Committee.
- Each successfully passed case attracts 1.5 CD credits as approved by the ODOB CPD Accreditation Committee.
- Successfully passing all 7 cases awards the maximum of 10.5 CD credits.
- CD credits are only allocated to each case completed prior to 29 September 2017.
- The enrolment fee is \$285 (incl GST) i.e. for up to 7 cases.

**You must enrol online:
<http://www.glaucomaeducation.com/>**

The Trustees of Glaucoma NZ are committed to providing the best professional education possible and look forward to a continuing relationship with you, as we work together towards the shared goal of better eye health for all New Zealanders.

Yours sincerely

Professor Helen Danesh-Meyer
Chair, Glaucoma NZ

On behalf of the trustees of Glaucoma NZ
