

Dear Ophthalmic Technician

**Glaucoma NZ - Professional Education Programme 2019  
Online and web-based**

Glaucoma NZ invites you to enrol in the GNZ Professional Education Programme for 2019.

The Programme is appropriate for ophthalmic technicians and others working in Eye Health care. It involves up to 28 hours commitment over the year, is suitable for professional portfolios and is entirely online and web-based so you can progress at your own pace.

**An online web-based course structure:**

- All cases have been produced by qualified glaucoma specialists.
- The Programme consists of 7 new cases each year – each with a case history, questions and answers for self-directed learning, followed by an associated web-based examination.
- The examination associated with each case is made up of 25 questions – multiple choice and true/false.
- Two attempts are available to achieve the 70% pass required
- The Programme needs to be completed before midnight Monday 30th September 2019.
- Enrolments will close midnight on Wednesday 25th September 2019. The programme will close at midnight Monday 30th September.
- Examination answers will be available for review from 1st October 2019 until 30th November 2019.
- The cost is \$285 *i.e.* for up to 7 cases.
- A letter of achievement with acknowledgement of your hours for the cases you completed will be sent during October 2019.

**You must enrol online:  
<http://www.glaucomaeducation.com/>**

The Trustees of Glaucoma NZ are committed to providing the best professional education possible and look forward to a continuing relationship with you, as we work together towards the shared goal of better eye health for all New Zealanders.

Yours sincerely

Professor Helen Danesh-Meyer  
**Chair, Glaucoma NZ**

On behalf of the trustees of Glaucoma NZ
